

BOSTON BOROUGH COUNCIL

FORWARD PLAN OF KEY DECISIONS

1 MAY to 31 AUGUST 2020

During the period 1 May to 31 August 2020 Boston Borough Council intends to take 'Key Decisions' on the issues set out in the following pages. Key decisions relate to those decisions which are likely to:

- Result in the authority incurring expenditure which is, or involves the making of savings which are significant having regard to the authority's budget for the service or function to which the decision relates; or
- Be significant in terms of its effect on communities living or working in an area comprising two or more wards of the Borough.

The Forward Plan is an outline of the proposed decisions and it will be updated on a monthly basis. Those items identified for decision more than one month in advance will be carried over to the following months plan. Each new plan supersedes the previous plan.

The Council invites members of the public to attend any of the meetings at which decisions will be discussed and the papers listed on the Plan can be viewed free of charge at the Customer Services Desk, Municipal Building, West Street, Boston, or on the Council's website, www.boston.gov.uk

If you wish to make comments or representations regarding the 'key decisions' outlined in the Plan, please submit them in writing to the contact officer identified against each key decision in the Plan, at least 2 working days before the date of the meeting at which the decision is to be taken.
